Citizen of the Week

The first recipient of the year is **Keira Ambrose** (Y3) who had a fantastic first day. At St John Fisher we want all our children to be thoughtful, generous and caring towards others. Yesterday Keira went out of her way to show kindness to the new children who joined our community for the first time. This included caring for a young lady who was a bit upset. She talked to her; tried to cheer her up and make her laugh; she showed her what was expected and she even put her arm around her when she cried; bringing her to me and explaining clearly what the issues were and what she had tried to do to help. My colleagues and I were so impressed with Keira and her mission to make the first day of every new child a special one. What a little star, and what a great example to have set, thank you!

PE at SJF

PE will now be taught by the class teachers rather than coaches and we will all follow the new and holistic 'REAL PE' philosophy. Further details will be shared in the forthcoming curriculum overviews and at next week's Welcome Meetings'.

PE in FS2

PE-based activities for children in **FS2** will be at different times of the week and will take many forms. There will be times when the children in FS2 will wear PE kit and times when they will not. Also as the ability to get changed is part of the development information we need to gather, the children in FS2 are asked to wear their normal uniform every

day.

PE in Years 1-6

PE lessons are on the following days:

- **Tuesday:** Years 5 and 6
- Wednesday: Years 3 and 4
- Thursday: Years 1 and 2

PE: Kit

Our new uniform suppliers: 'School Trends' stock both the basic PE kit along with optional extras which include a new 'hoodie sweatshirt', plain sweatshirt and jogging pants all with the school logo – all very competitively priced. These extras are optional and are provided because the children will do PE outside whenever the activity and/or the weather permits. Though we hope all children will have the full school PE kit, including the school sweatshirt and/or bottoms, pupils will be allowed to wear other suitable sportswear over their basic school PE kit if the weather is cold and they do not have the optional extra PE kit.

From next week we will trial the children in Years 1-6 only wearing school PE kit on the day they have a PE

I except that such a decision might not be popular with everyone so we will monitor it and see what happens. We will also take careful notice of people's views before finalising any decisions. As with everything, we welcome your feedback and perspective.

You can order the basic PE kit, optional extras and all other uniform items from the School Trends website: <u>www.schooltrends.co.uk</u>. You then go to 'Find a School' and enter our post code (\$12 4HJ). You then click our school name which will take you straight through to our uniform page.

You can also visit the School Trends shop and buy or order items directly. If you buy something that needs a logo and doesn't have one it will be added by a member of the shop staff free of charge, while you wait. The shop is located opposite 'Direct Cars'.

The full contact details are:

- 10 Carley Drive, Westfield, Sheffield, S20 8NQ
- (T) 0870 165 0161
- (W) <u>www.schooltrends.co.uk</u>
- (E) info@schooltrends.co.uk

The only time pupils will not wear PE kit to school on PE days is when something special is happening in school e.g. school photos, a special event or visitor. You will be notified by me, the relevant teacher, or in the newsletter, via email or text if this happens. Thank you.

PE: Good News

I am delighted to be able to inform you that our school has been awarded the Bronze Mark in recognition of all the work we have being doing to develop PE at St John Fisher. I would like to thank my colleagues and our partners from Sheffield Links, and I would like to give a special mention to Mrs Broadhead and thank her for her hard work, passion and for leading the subject so well.

PTFA News

Information Evening

The PTFA would like to invite you all to their information evening which is on Tuesday 15th September 2015 in the school hall at 6.30pm. There will be refreshments and cake on offer too. It would be great if more people could get involved and this event is an opportunity to meet other parents/carers and staff and find out more about all the things the PTFA does and the different ways you might be able to help – which need not be a big commitment.

Lottery Grant

Last summer the PTFA submitted a bid for a lottery grant to develop the outside learning areas by the Year 1 and 2 classrooms. During the holidays we found out that this bid had been successful. I am so grateful to the PTFA for their continued support.

Statement to Live By

We start our year with the same 'statement to live by' that when finished the last year with, and that is: "We are all special"

Time to talk: We are all special. We all have gifts and talents – things that make us unique. What things make you special? What makes your friends special? What about your parents, brothers and sisters? Remember that God does not make rubbish – so that means that you are amazing!

Butterflies don't know the color of their wings, but human eyes know how beautiful it is. Likewise, you don't know how good you are, but others can see that you are special.

Pope Francis at World Youth Day 2013

"You too, dear young people, can be joyful witnesses of his love, courageous witnesses of his Gospel, carrying to this world a ray of his light."

Best wishes for the weekend and thank you for your kind messages of support for the year ahead,

Mr Barratt
